Annual Arbor Day Held Pahokee Club

The Pahokee Garden Club held its annual Arbor Day program at the January meeting at the home of Mrs. Lloyd Hundley, with Mrs. Norman A. Kennedy, president, presiding.

Mrs. L. W. Armstrong, chairman and conservation committee chairman, spoke on "The Marjorie and Mysteries of Migrating Birds."

An invitation was received from the Clewiston Garden Club for Pahokee club members to attend the flower arrangements course to be given by Mrs. Paul Ogletree in the Sugarland Auditorium, Mar. 17.

Mrs. Jess M. Elliott reported the club netted \$349.55 from its holiday fruit cake sales project. Small savings banks were distributed to members at the meeting. These banks to be turned in at the May luncheon meeting, contents to go into the club's building fund being raised to finance the construction of a new Garden Center Building at Pioneer Park.

It was announced Charles Thulberry will speak on "Hibiscus Culture" at the February meeting at the home of Mrs. Ruth V. Meredith.

In the Arbor Day observance an Annona tree, commonly known as the custard apple tree, was planted in Pioneer Park, which adjoins Mrs. Hundley's home, under the supervision of Mrs. Meredith. The seed for this tree, which grew in (continued on page 8)

County Building Rules Discussed

An attempt to work out changes in county building requirements to allow awnings and cabanas on mobile homes was set for a conference this week by the county zoning commission and its zoning consultant.

Attorney M. L. Esary, representing a group of mobile home owners, said county regulations are to be restrictive. She said a number of her clients had been served with notice of violations and were subject to criminal prosecution.

Commissioner Roy Michael, the boards representative for zoning affairs, explained the county has no objection to trailer awnings or additions providing the materials and structures meet building code requirements.

The commission said it was without authority to grant any waivers in favor of mobile home owners and suggested the attorney and her clients meet with the county zoning board in attempt to work out any proposed changes.

Scout Leaders Attend Council

Pahokee Girl Scout leaders who attended the semi-annual meeting of the Palm-Glades Girl Scout Council at the First Presbyterian Church in West Palm Beach Monday night were Mrs. William S. Plumer, Cypress Neighborhood chairman, Mrs. James H. Wilkinson, Jr., Mrs. E. C. Johnson, Mrs. Leland Keene and Mrs. Glenn Brower.

Huge Sum Being Spent For Roads

Over \$208 million in road and bridge construction projects were under way in the state during December, according to a monthly progress report issued today by William B. Killian, Chairman of the State Road Board.

In addition to the \$208,123,010 of projects already under construction, Chairman Killian said that bids were received for \$9,103,470 in new construction.

During the month, contracts were formally executed for road construction totaling \$8,285,830, while work completed and accepted by the Department in the period amounted to \$9,899,434.

William D. Singer of Miami, Road Board member from the Fourth District, reported that construction under 50 contracts in the 9 counties comprising this district accounted for \$60,641,480 of the state total.

Hibiscus Tree Is Planted By Club

The Canal Point Garden Club planted a hibiscus tree on the newly grounds as part of its annual Arbor Day observance program. Mrs. J. H. Miller, roadside and civic improvement committee chairman, was in charge of the planting. She was assisted by Mrs. Glenn Miller.

The rest of the Arbor Day Program, presented by Mrs. Miller at the January meeting of the club was at the home of Mrs. Ralph Maxson. Sharon Johnson, a student at the Canal Point School, read a paper on "The Origin of Arbor Day." Ricky Parker, also a student, sang "Trees." Mrs. Glenn Powell gave a reading, "What Do We Plant?"

Mrs. C. G. Coburn conducted a quiz on plant identification. Mrs. Miller and Mrs. Powell were hostesses during the serving of refreshments. Mrs. G. H. Tucker, president, presided at the business session.

Civil Defense Is Saving Co. Money

The county's Civil Defense department during the past year has acquired some \$450,000 worth of heavy equipment, the county commission learned Monday in a report from Ellis Altman, county CD director.

Altman said the equipment was secured from government surplus for only the cost of moving it here. The surplus property is now located throughout the county on a lease basis.

Altman also reported that 347 people had completed CD courses during the past year and that law enforcement officers and firemen are now taking CD courses.

During the past year, 129 meetings were held, a radio network established and a complete evacuation plan worked out, the report noted.

The county commission this week approved the use of hospital buildings at International Airport by the civil defense department. Altman said the buildings will be used for an emergency hospital and for emergency shelters.

25 Years Doing One Thing Well, That's James T. Platt

(A Story By Paul Rardin, Owner)
(The Everglades News)

Twenty-five years ago this morning at eight o'clock James T. (Jake) Platt walked into the front door of The Everglades News office to go to work and he has maintained this routine during the past quarter of a century. He came to Canal Point with his young wife and six months old daughter, Joann (Now Mrs. R. B. Chastain, Jr., of St. Petersburg).

Since that time the Platts have become the parents of two other daughters, Mrs. A. William Scheil of Cocoa and Miss Judy Platt who is a student at Florida State University at Tallahassee. Also they have become grandparents with the Chastains in St. Petersburg having a four months old daughter, Miss Debra Louise and Lt. and Mrs. Scheil having a 17 months old daughter, Miss Cornelia, Elizabeth.

Through the years Mr. Platt has been in charge of the mechanical production in The Everglades News office and has been fortunate from a health standpoint in that he has missed only a handful of days from illness during the 25 years. He is a Linotype operator and accomplished printer and has complete charge of the printing department of the plant.

Mr. and Mrs. Platt live in Pahokee where they own their home and some adjoining property. They have made their home there for 13 years since moving into their 1931 home from Canal Point. Mr. Platt enjoys hunting and fishing and during the hunting season usually comes in with his fair share of the game. As a fisherman he ranks among the very best.

Commenting this morning on his 25 years on a one job he said: "I don't know whether I can make it another 25 years or not." The opinion of the writer is that Jake is just about as good as new today and another 25 years won't make a bit of difference about his love for work and regularity in attending to it.

Whidden Explains Court System Work

Thadd Whidden, long-time Pahokee attorney, explained to Pahokee Rotarians at their Thursday luncheon meeting the function of the Florida courts system all the way from the State's supreme court down to the localized justice of peace court. He was introduced by W. S. (Bill) Plumer, program chairman. The club made plans to send a large delegation headed by President C. E. (Babe) Williams to the International Rotary Conference in Miami May 29-June 2. Miss Carley Bracewell, Pahokee High School student was the guest of Student Member Joey Alferman. Among the visitors was Thurmond Knight, former president of the club, who now lives at Lake Park and is a member of the Riviera Beach Rotary Club.

Planning Group To Meet Feb. 1-4

The Planning Committee for the Youth-Adult Family Life Institute which will be conducted at Pahokee High School, Feb. 1-4, by Dr. I. Douglass Brown, under the sponsorship of the Parent-Teacher Association, met at the home of Mrs. Lloyd Hundley, chairman of the Parent and Family Life Committee, with the director to discuss preliminary plans for the institute.

Other members of the committee attending were Mrs. Joe E. Thompson, registration; Mrs. N. R. Lemonds, auditorium; Mrs. W. O. Moss, publicity; Mrs. J. W. Vana, librarian; Mrs. W. S. Plumer, films and projection; Mrs. R. M. Sanders, nursery; W. O. Moss, PTA president, and Brooks Henderson, Pahokee High School principal. The final meeting of the committee will be held at the home of Mrs. Hundley Monday at 4 p. m., the meeting to be followed by a buffet supper.

Ladora Crosby New Worthy Advisor

Ladora Crosby was installed new worthy advisor of Pahokee Assembly No. 16, Order of Rainbow for Girls, at an installation ceremony held in the Masonic Hall Monday night.

Other new officers inducted were Kay Hughes, worthy associate advisor; Joyce Brown, charity; Elizabeth Humphries, hope; Martha Sellers, faith; Amy-Roell Young, recorder; Linda Wooster, treasurer; Peggy McElhenry, chaplain; Linda Sears, drill leader; Toni Touchberry, love; Betty Jo Phillips, religion; Gale Sears, nature; Sharon Watson, fidelity; Alice Joy Wilson, confidential observer; Willandene Todd, outer observer; Alice Hurt, musician.

Members of the advisory board installed were Mrs. Marie Hughes, chairman; Mrs. Angela Sears, Mrs. Catherine Ammons, Mrs. Bernice Sheppard, Mrs. Edna Barrett, Mrs. Eleanor Bordeaux, Mrs. Velma Hall, C. R. Wetherington, Jr., Bruce Nix and D. P. Hughes. Mrs. Florence Keen was installed mother advisor.

Installing officer was Mrs. Marie Hughes, who was assisted by Mrs. Velma Hall, Kathy Wilson, Alice Hurt and Patsy Mars.

The new worthy advisor presented a corsage and gift to each of the installing officers and to her mother. She also presented a carnation to each of the new officers who will serve under her.

Mr. and Mrs. Raymond O. Crosby, parents of the new worthy advisor, were hosts during the serving of refreshments following the installation.

Lions District Meeting Attended

Those from Canal Point who attended the Lions Third District meeting at Lantana, were Zane Chairman and Mrs. J. W. Repper, Mr. and Mrs. Grady Echols, Mr. and Mrs. Floyd Erickson and family, H. H. Sears and James Gibson, president of the Canal Point Lions Club. While the Lions were at the meeting, the women and children visited James Melton's Autorama.

Speed Limit Still Bone Of Contention

The City of Pahokee and the State Road Department are still at odds in regard to maximum speed limit for Bacom Point Road, a three-mile stretch of city street included in State Road No. 715. SRD wants the speed limit raised to 45 miles per hour, while the City insists this is too high a speed for the thickly populated residential street and desires the maximum limit be kept down to the present 35 mile per hour.

The City Council in regular session Monday night instructed City Attorney Ralph O. Johnson to make up a resolution protesting the raising of the speed limit on Bacom Point Road to 45 mph by SRD. This move was made following a recent special meeting of SRD officials of the Traffic Survey Division from Fort Lauderdale with Mayor F. S. Parrish and Council members. After an agreement on this issue could not be reached at the meeting, the Traffic Survey officials announced that they were going to recommend to SRD that the speed limit on this street be raised to 45 mph.

The Council on two separate occasions during the past few months has expressed its opposition by resolution to the SRD's request for an increase in the speed limit on Bacom Point Road. Currently residents living on this street are circulating a petition pro- (continued on page 8)

Sod Busters Plan Work Shop Day

The Sod Busters Garden Circle at the meeting Tuesday at the home of Mrs. Eloise Unwin, with the president, Mrs. Barbara Wilder, presiding, made plans for a work shop day to be held at Mrs. Wilder's home on Feb. 2.

Guest speaker was Russell Herking of the Kilgore Seed Company, who spoke of the fertilizing of plants, the control of insects, the use of rooting compounds and the like. He was assisted in the display of various plant aids by Eli McCall. Mrs. Betty Holman had on display for study by circle members four native dried plant decorative arrangements designed by Mrs. Elizabeth Ludlam. It was announced the next business meeting will be at the home of Mrs. Beth Wilkerson, Feb. 23.

Arnette Saves \$ \$ \$ For P. B. County

J. Alex Arnette, clerk of the circuit court, told the county board this week that a microfilm project had been started in his office to film all permanent records.

The film process is expected to take more than a year to complete and at the end of that period, Arnettes office will have two film copies of all official records—one to be kept here and one to be stored outside the county as a safety precaution.

The microfilm method, Arnette said, will eliminate the need for record books and storage space at a considerable saving to the county.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission Monday approved use of a building at Palm Beach International Airport by the City of West Palm Beach—a structure which will be converted for use as a city jail.

At the same time the board approved setting up facilities for a detention of juvenile delinquents for the county juvenile department.

The approval included a trade of buildings between the juvenile department and the city.

Rentals were set at \$120 for the city and \$75 monthly for the juvenile department—funds which will be paid into the airport account.

County engineer Steve Middleton told the board it would cost an estimated \$27,300 a year to operate the detention facilities.

In other actions this week the board:

Approved the use of International Airport for miget car races

FAREWELL PARTY

Mrs. Fred Woodcock and Mrs. A. B. Collins entertained at Mrs. Collins' home with a farewell party honoring Mrs. Donald Avera prior to Mrs. Avera's departure for Orlando where she is joining her husband, and they will make their home while he is stationed there by the U. S. Air Force. Mrs. Avera was a member of the nursing staff at the Everglades Memorial Hospital for two years while her husband was stationed in California before his recent transfer by the USAF to Orlando.

POT LUCK SUPPER

The Ladies of Pahokee Elks organization, popularly known as the "LOPEs", entertained their husbands at the Elks Home on East Main Street with a "pot-luck" supper Thursday night following the regular meeting of Pahokee BPOE Lodge 1638. The LOPEs will also be hostesses at suppers following the Feb. 11th and Feb. 25th meetings of the lodge.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
year interest as current income—
invest in 3% Series H

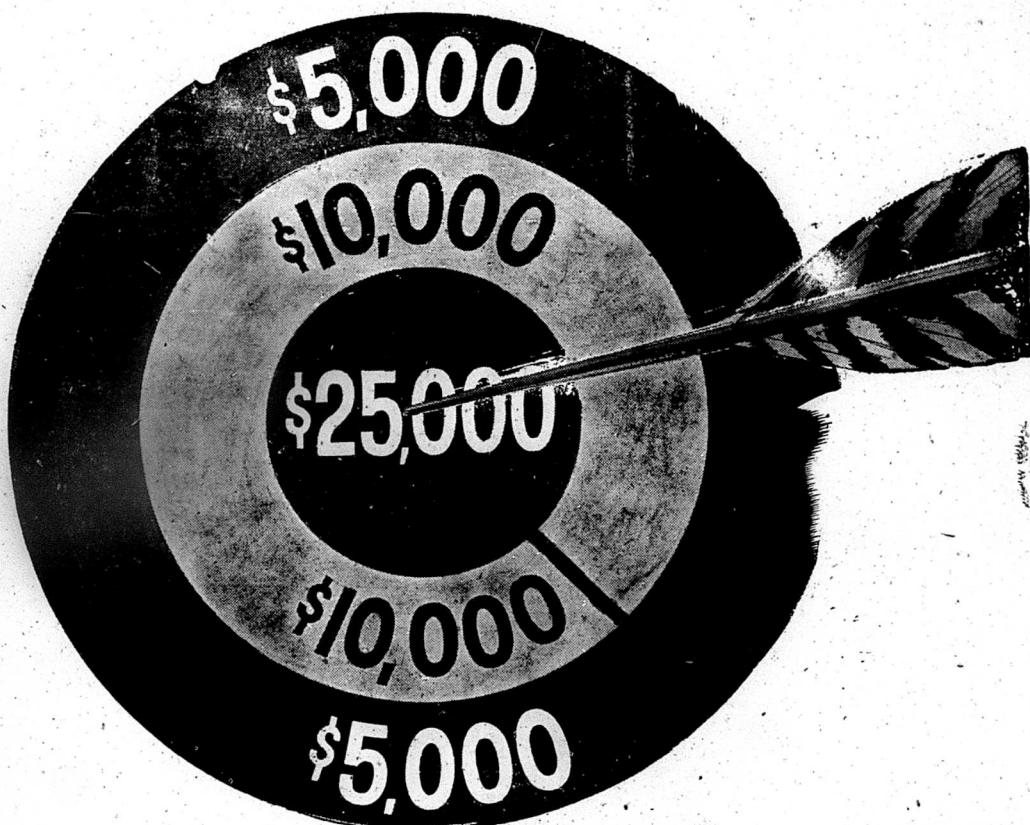

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2058 in cash; in 10 years, \$4442.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Disputed Levees Are Okeyed

As an additional safeguard against possible hurricane floods in the area, Lake Okeechobee level will be raised from its present 15 feet to 16.4 feet when 30 miles of new levees in neighboring Glades County south of Okeechobee are completed.

A major flood control measure, but long controversial, the action came last week when officials of the Central and South Florida Flood Control District finally agreed on the location of Levee 48.

The \$7,500,000 project of Levees 48, 49 and 50 will run from Fish-eating Creek northeast toward this city—to the Kissimmee River.

First construction on the huge project will be on Levee 50 in the Fish-eating Creek area, Flood Control District Engineer William Storch reported.

When Levees 48 through 50 are finished Lake Okeechobee will be completely surrounded by levees except for the small stretch along the shoreline near the City of Okeechobee.

The new levees will add a great safeguard against possible floods similar to the one in 1926 hurricane when hundreds were drowned in the Belle Glade area.

FCD member David Click said, "Increased water storage capacity will enable us more easily to control the water runoff from the area north of the lake" adding that the new levees will be of "great aid" in controlling high water conditions below the lake.

Flood Control District officials said the work "should be started within the next year." The project has the approval of the U. S. Corps of Engineers which controls Lake Okeechobee.

For more than three years federal and state agencies as well as private interests had fought over the location of Levee 48 in Glades.

For instance the Florida Game and Fresh Water Fish Commission opposed its location, for fear it would destroy fish spawning and breeding grounds. But gave in when experts-marine biologists—were able to show that new grounds would be created in the lake's western section, because the higher water level will cover mud flats.

Originally the Corps of Engineers wanted Levee 48 to parallel State Road 78 which runs along the northwest shore of the lake, bisecting U. S. 441 three miles south of Okeechobee.

Flood Control officials opposed that because of the prohibitive cost of the valuable land that would have had to be bought by the state, for flooding. An estimate of \$1,800,000 for the lands was made.

Private interests wanted Levee 48 constructed will out from the existing shoreline, to create a huge new tract of water front property for developing. In the agreement last week, residents and property owners in the area of the new levee were promised they will have access to the lake at a location to be worked out by the planners.

Much of the credit for the end of the impasse is being given Flood Control District member Click who was able to bring the various disputants together.

WSSC MEETING

The Pahokee Methodist Women's Society of Christian Service will conduct its February meeting at the church at 3:30 o'clock in the afternoon of Feb. 1, instead of meeting at night, which has been the custom in the past. The Mary Martha Circle will present the program, with Mrs. Claud Morgan, in the circle's program chairman, in charge of arrangements. Mrs. Duncan Padgett, president, will preside.

ATTEND CEREMONY

Members of Pahokee Assembly No. 16, Order of Rainbow for Girls, have accepted an invitation to attend the installation ceremony for the newly elected officers of West Palm Beach Assembly No. 17 to be held in the Masonic Temple, West Palm Beach, Feb. 6, at 7:30 p. m.

Congressman Rogers' Questionnaire

This is the annual questionnaire in which Congressman Paul G. Rogers asks the people of the Sixth Congressional District of Florida to express their views on some of the important issues that will come before Congress.

Replies should be mailed to: Congressman Paul G. Rogers—Room 111, House Office Building, Washington, D. C.

QUESTIONS

YES

NO

1. Do you favor a Federal "Fair-trade" bill which would authorize manufacturers of brand name merchandise to set minimum re-sale price on such goods at the retail level?

Christian Science Group Of Canal Point

How prayer enables man to cope effectively with the problems of daily living will be brought out Sunday at Christian Science services.

Each section of the Lesson-Sermon on "Love" will deal with some aspect of prayer as taught by the master Christian, Christ Jesus. Selections to be read from the Bible include these verses from the Sermon on the Mount: "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you; For every one that asketh receiveth; and he that knocketh it shall be opened" (Matthew 7:7, 8).

Also emphasizing the power of prayer are citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which include the following: "If we pray to God as a corporeal person, this will prevent us from relinquishing the human doubts and fears which attend such a belief, and so we cannot grasp the wonders wrought by infinite, incorporeal Love, to whom all things are possible." (13:20-24).

Mr. and Mrs. W. E. Culberson and family and Mrs. Rosa Curlee of West Palm Beach visited their mother, Mrs. Ada Culberson, and sister, Mrs. Ollie Batchelor, and other relatives in Pahokee, and Belle Glade Sunday.

Baptist Women In January Meet

Members of the Canal Point Baptist Women's Missionary Society at the January meeting, held at the church with Mrs. Charles D. Stewart, president, presiding, made plans for a series of cottage prayer meetings to be held the week of Feb. 14, preparatory to the revival which is to be held at the church, starting Sunday, Feb. 21.

The group voted to study the mission book chosen for the Annie Armstrong week of prayer at regular circle meetings and the general WMS meeting in February.

A program on "Royal Service Work in Cuba" was presented by Mrs. R. T. Smith, program chairman, who was assisted by Mrs. D. P. Hughes, Mrs. Charles Maxson, Mrs. S. A. Nall, Mrs. J. H. Strayer and Mrs. J. S. Atkins.

Mission Study On Africa In Pahokee

A mission study on Africa is being planned for the Intermediate Youth Fellowship group of the Pahokee First Methodist Church. The first session on Jan. 31 will be under the direction of Mrs. J. L. Reeves. Miss Nina Briggs, retired missionary to Africa, will conduct the second study during which she will display and talk about some of the native handicraft which she brought back to the States from Africa. Mrs. J. W. Lowe, secretary of youth work for the Woman's Society of Christian Service, is in charge of study arrangements.

Mr. and Mrs. D. L. Hooks had as guests Sunday their son, John Howard Hooks; also Bob Culture and his brother and sister-in-law; Mr. and Mrs. Perry Culture, all of Miami.

—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically loaned for you in U. S. Savings Bonds. Because Savings Bonds earn solid interest—3% cumulative continuously when held to maturity.

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,227.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest as interest income, ask your bank about Series EE Bonds. Bonds pay dividends annually to Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000

Family Life Study Planned Feb. 1-5

A Youth-Adult Family Life Education Institute will be held at Pahokee High School, Feb. 1-5, under the direction of Dr. I. Douglass Brown, associate professor in marriage and family living, School of Social Welfare, Florida State University, Tallahassee. The institute will be conducted by the Gen-

DR. I. DOUGLASS BROWN

eral Extension Division of Florida under the local sponsorship of the Parent-Teacher Association. PTA sponsored the Family Life Institute for the first time last year, without outstanding success.

Dr. Brown will lecture and discuss family life "problems with adults only in the high school auditorium on Monday and Tuesday nights at 8 o'clock. The symposium in the high school auditorium Thursday night will be for both youth and adults.

During school hours, Monday through Friday while the institute is in progress, Dr. Brown will confer with various groups of students faculty sponsors and teachers. The final meeting will be an open forum in which the work achieved at the institute will be reviewed.

"During the night meetings for parents a nursery for children will be conducted at the First Methodist Church under the direction of Mrs. R. M. Sanders. During his stay in Pahokee, Dr. Brown will be available as a speaker to civic groups, if such speaking does not conflict with his work at the institute.

A native of Indiana, Dr. Brown received an A. B. degree from Butler University in 1931, an M. A. degree from the University of Wisconsin in 1937 and an Ed. D. in education guidance and sociology from Indiana University in 1952. Before coming to Florida he held positions of counselor-trainer in the School of Education, Boston University; director of counseling Services, Anderson High School, Indiana; director of guidance, Columbus High School, Indiana; director of guidance, Laboratory High School, Indiana University; and counselor, Central High School, Indianapolis. He is a member of numerous professional fraternities and societies, and author of student guidance articles printed in the past decade in various scholastic publications. He has also traveled extensively as a lecturer on "Marriage and Living" and "Family Life Guidance."

New Secretary Is Hired By Board

J. P. Icard, Sarasota, will become the county commission executive secretary March 15 and will also serve as assistant to R. B. McKee, commission comptroller. Icard, who has been employed in the circuit clerk's office in Sarasota County for the past five years, will be paid an annual salary of \$9,265.

Recommendation to hire Icard was made by Commissioner Roy Michael, chairman of the board's personnel committee, who with J. Alex Arnette, clerk for the commission made the selection. Icard will also become a deputy clerk for Arnette.

Sorority Enjoys Oriental Party

An oriental Sukiyaki party was enjoyed by members of the Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, at a meeting at the home of Mrs. Gethie Friend. Those attending came in oriental costumes and Japanese decorations were used. On the committee in charge of arrangements were Mrs. Marjorie Mock, co-chairman; Mrs. Becky Howard, Mrs. Valerie Davis, Mrs. Joan Tucker, Mrs. Cornelia Chase and Mrs. Sarah Thomas.

At the business session final plans were made for the Beta Sigma Phi Valentine Dance, which is to be jointly sponsored by the three chapters the night of Feb. 13.

The group voted to assist Mrs. Marjorie Crick, director, at the Royal Palm School two days a week. Mrs. Lillian Beverly, chairman of the service committee, to be in charge of this work for the chapter.

Speed Limit Still

(continued from page 1) testing the proposed change to a higher speed limit. This petition is also being signed at Mayor Parrish's jewelry store, which is located on Bacom Point Road.

The resolution after it is passed by the Council, together with the petition, will be sent to the SRD Board as a strong protest, both by city officials and residents, against action by SRD which they feel would be inimical to public safety, according to Mayor Parrish.

In other action taken by the Council at the Monday night meeting all bids for the purchase of a new chlorinator for the waterworks plant were referred to officials of the waterworks department for study and recommendation; a full-page city advertisement in the 1960 issue of the Palms' Trail, was authorized; and a Pahokee High School yearbook, "Devil-circus license fee of \$300 was waived for Higginbotham Brothers Circus when it performs in Pahokee in March under the sponsorship of the Junior Chamber of Commerce, provided City Attorney Johnson finds such a waiver is allowed by the ordinance covering such matters.

Annual Arbor Day—

(continued from page 1) wild profusion in the Glades before the land was cleared for cultivation, was grown by Mrs. Pauline Rice, a pioneer Pahokee resident.

Hostesses at the sandwich luncheon were Mrs. O. R. Bleech, Mrs. W. A. Keen, Mrs. W. C. Damm, Mrs. Carl Kolstad and Mrs. Hundley. Mrs. Ivan Van Horn and her committee from Belle Glade, who worked with Mrs. Don Hillier and Mrs. C. L. Shewley of the Pahokee club on the joint display at the County Fair, were luncheon guests.

District Council Boy Scout Meeting

The District Council Meeting for January was held at Lake Harbor and Troop 628 was represented by Scoutmaster Louis Mims and Troop Committee Chairman Wheeler Ludlam.

On January 21st there was a Troop Committee Meeting held at Robert Simonson's home on Bacom Point Road. There were 13 members present.

Scoutmaster Louis Mims accompanied 20 Boy Scouts to the Palm Beach County Fair at West Palm Beach on January 23rd. All reported they enjoyed the trip very much. National Boy Scout Week begins February 8th. This will mark 50 Years of Scouting and our U. S. Post Office Department is issuing a special stamp honoring Boy Scouts, the second to be issued.

There will be a friendship Camporee at Taylor Creek February 13-14 with Scouts from Indian-town, Belle Glade, South Bay, Clewiston and Pahokee participating. The Camporee will be the final of the nation's observance of National Boy Scout Week which will end Monday February 15th.
